

State Board Examination Policy

Honoring Graduates for Successfully Passing the State Board Exam (SBE)

For the graduate who sits and passes the State Board Examination on the first attempt, Pierce Mortuary Colleges would like to honor your success! PMC will pay the cost not to exceed a total of \$125.00 in Exam fees to a graduate who has completed the following:

1. Sit for the exam within 60 days of your last date of attendance (LDA); AND
2. Pass both portions of the exam on your first attempt; AND
3. Complete a request form within 30 days after passing the exam on your first attempt; AND
4. Submit to your college the completed form and results from The International Conference of Funeral Service Examining Boards demonstrating your passing status

This is not a reimbursement or a refund. While funds are limited, we do our best to provide support to those students who are willing to work hard and succeed. Monies will be disbursed only in the year the student graduates. However, the College also reserves the right to change without notice any statement due to federal, state, or College changes in policies, procedures, or regulations

Policy is effective as of January 1st, 2019
