Late Registration

Mid-America College of Funeral Service expects students to plan both their academic career and financial arrangements prior to the beginning of their quarter, but we understand that situations occur where a late registration is necessary

Students may apply, and be accepted, to Mid-America College of Funeral Service, months from the start of the interested quarter of enrollment, up to five (5) business days after the start of that quarter. By the 5th day, the student must be accepted by the Mid-America College of Funeral Service by close of business. If this is not possible, the student may apply for the subsequent quarter of enrollment

Note: Should a distant learner exercise the late registration policy, some courses do not have the availability of an eBook, therefore the hardback book will be sent and the student will be delayed in receiving the book
